If it is proposed to favorably consider the recommendation, the Finl: Secy: has to be consulted.

RR 22/2/30

SIR,

I have the honour to submit herewith for kind perusal, an application received from Mr. K. Shamanna, B.A., LL.B., Head Clerk of this Office, praying that he may be granted the maximum pay of the appointment, viz., Rs 100/- with effect from 3rd February 1930 and to state that the official was appointed to act as Head Clerk on Rs 75/- in grade Rs 75-5-100 on 3rd February 1927 in the vacancy caused by the grant of six months' leave to Mr. C. Lakshmana Sastry, the late Head Clerk, and was confirmed in that appointment on 3rd August 1927 on the retirement of Mr. Lakshmana Sastry, as approved in Government Order No: G. 2428-9/P.&.S., 6-17-3, dated 29th August 1927.

Mr. Shamanna is now drawing Rs 85/- in the above grade and it will take him two and half years more to reach the maximum pay of the appointment in the usual course. He is a young man of good educational qualifications and has also passed the Proof-reading Higher Examination. He has had good experience in the Proof and Office branches and has been doing satisfactory work. He has put in seven year*s' service in this office and deserves encouragement as he is a double graduate.

I therefore beg to recommend that the application of

5

the official may be favourably considered and that the maximum pay of the appointment, viz., Rs 100/- may be granted to him as prayed for with effect from 3rd February 1930.

I have the honour to be,

Sir,

Your most obedient servant,

Superintendent,
Government Printing.

The Superintendent,
Government Printing,
B A N G A L O R E.

Respected Sir,

I, the undersigned, beg to bring the following facts to your kind consideration and favourable disposal.

I was appointed by your good self as the Head Clerk on 3rd February 1927, and have since served for ~~the~~ three years in that appointment. I am now drawing Rs 85/- in grade Rs 75-5-100 and am required to put in a further period of two years and a half to earn the maximum pay of the appointment in the usual course.

In this connection I beg to state as follows:-

(1) In all important Government offices, there are usually two posts, one of the Manager and the other, next lower in rank, of the Head Clerk at the top of the ministerial establishments. But in the Government Press the highest post in the ministerial establishment is only that of the Head Clerk, which therefore corresponds to the post of Manager in other offices.

(2) The post of the Head Clerk carried a fixed pay of Rs 100/- for several years prior to the revision of 1926, when it was reduced to a progressive appointment of Rs 75-5-100.

(3) The pay of Rs 100/- was fixed at a time, when the pay of similar appointments in other offices was at the same level, which goes to show that the status and pay of the Head Clerk were then intended to be on a line with those of like appointments in other Government offices.

(4) That the work in the Press has increased by leaps and bounds has sufficiently been borne out by the statistics of recent years. The number of letters received and disposed of in a year has doubled itself now when compared with similar figures of about 8 or 10 years back. The works received and for which work dockets are issued are also showing the signs of steady progress from year to year. The work in the piecework accounts section has more than doubled itself, with the increased volume of work received for execution in the Press. As for the Gazette Section, it has not been slow to keep pace with the progress of times. The work connected with leave, attendance and other miscellaneous matters has also enormously increased. Thus there has been an unprecedented rise of work in all directions, which has necessarily devolved more work on the Head Clerk at present, than when compared with the quantity of work, which had to be done by him nearly ~~to~~ ten years ago.

(5) The several important Government offices in Bangalore. have each and all been reorganised within the last a year or two consequent on the growth of work in the several departments and the remuneration of the post of Manager or Head Clerk, as the case may be, has correspondingly been raised from Rs. 100/- of the old scale to suitable higher ~~pass~~ grades up to a maximum of Rs 150/- or even Rs. 175/- in certain cases. The truth of this statement is appreciated by you, Sir, in-as-much-as in one of the offices under your control, viz., the Stamp Manufactory, you have got the pay of the Supervisor raised from Rs. 100/- to 100-6-130 recently.

(6) Though the quantity of work that has to be done in our ~~an~~ office is in no way inferior to or the volume of work lesser than in the other Government offices, the pay of the Head Clerk, instead of being raised to the next higher grade, as in analogous cases outside, has been given a definite set-back in being reduced

to a lower scale.

As regards my work, you are aware, Sir, that I have been discharging my duties to the best of my knowledge and ability and without raising a word of complaint even under trying circumstances.

In view of the above facts I humbly and respectfully solicit that you may be pleased to view my case with your usual kindness and generous spirit and recommend to our benign Government to sanction the maximum pay of my appointment with effect from 3rd February 1930, which will go a long way in ameliorating my present condition and which will act as a great encouragement in the discharge of the responsible and onerous duties that are attached to the office.

I beg to remain,

S i r,

Your most obedient servant,

17. 2. 1930.

Head Clerk.
